A Cause for Celebration is
Presbyterian Healthcare
Foundation's newest signature
event—an evening that
blends timeless glamour with
meaningful purpose and just
the right amount of sparkle...

This year, we celebrate the Presbyterian
Nursing Career Pathways Program,
which is helping current employees
pursue their Practical Nursing diploma or
Bachelor of Science in Nursing, without
stepping away from their roles.

It's a pathway built on commitment.
A chance to grow, serve and lead right
here in New Mexico.

These nurses-in-training are working
full-time while studying, showing up daily
with care and commitment.

As class participant Michelle Caro shared:

*"Nursing is more than
a profession—it's a calling."*

Tonight is for them.

So we set the table, light the room and
make space for what's next.

Because the future of healthcare
isn't a concept.

It's about people.
And they're already here.

Choose your experience.
